BOOK SYNOPSIS

The present study is an attempt to place in historical perspective the relationship between early capitalism as exemplified by Great Britain, and the Negro slave trade, Negro slavery and the general colonial trade of the seventeenth and eighteenth centuries. It is strictly an economic study of the role of Negro slavery and the slave trade in providing the capital which financed the Industrial Revolution in England and of mature industrial capitalism in destroying the slave system.

CAPITALISM AND SLAVERY - Are you looking for Ebook Capitalism And Slavery? You will be glad to know that right now Capitalism And Slavery is available on our online library.
