BOOK SYNOPSIS

From the author of *Mating Instinct* comes a sexy and thrilling novella about a star-crossed romance between a vampire and a shifter whose families are sworn enemies. When Kiernan and Melina spent one passionate night together a year ago, they never thought that it would change their lives forever. While the attraction was undeniable, gorgeous, green-eyed shifter Melina knows it takes more than passion to combat a century of family animosity—even if she can't manage to get Kiernan out of her head. After a year of Kiernan's relentless pursuit, Melina finally gives in to her secret desires and agrees to give the dark, handsome vampire one more chance. But when their hot Miami night of flirtation is violently interrupted, Melina must put not only her trust, but her life in Kiernan's hands... *Enemy Mine* includes a teaser from the next *Moon Shifter* novel, *Mating Instinct*.
