BOOK SYNOPSIS

Brains Exam Pro on Contracts, Objective Questions includes over 330 objective questions covering every substantive area of Contract Law. Each answer choice explains why each answer is either correct or incorrect. Elements and rules are explained in easy-to-understand language, with a step-by-step guide on how to analyze question-types. Liberal citation to applicable sections of the Restatement (Second) Contracts, the Uniform Commercial Code, and important contract law cases, allows the students to match a question to his or her outline and class discussion. Exam preparation tips include how to prepare for graded exams, how professors construct multiple choice questions, and how to avoid common “distracters.”
