BOOK SYNOPSIS

Whats preventing you from teaching Spanish in your homeschool or learning it on your own? If youre intimidated because youve never studied Spanish, bewildered by traditional Spanish books that move too fast, or just dont know where to begin, then Getting Started with Spanish is for you! Specifically designed to overcome these types of obstacles, Getting Started with Spanish is divided into simple lessons that explain the fundamentals of Spanish grammar in a way that anyone can grasp. Instead of burying you in mountains of information to memorize, new words and concepts are introduced in a gradual and systematic way. You can immediately apply what youve learned by translating the fun exercises at the end of each lesson. Quickly check your work by turning to the included answer key. Download the FREE authors commentary recordings from www.GettingStartedWithSpanish.com to hear the authors explain each lesson and exercise individually. Practice your listening and pronunciation skills with the FREE pronunciation recordings. With everything you need here in one book, why arent you Getting Started with Spanish?
