BOOK SYNOPSIS

"Hungarian Rhapsody: An Adoption Story" is a heart-warming account of an Indiana couple who set out to adopt a child from an orphanage in Eastern Europe but wouldn't stop until they had brought home six children. Fighting red-tape all the way, Jim & Kim Derk were determined to reunite a split-up family and then keep them together at all costs. A must-read for anyone considering international adoption, this heart-felt book offers much insight into what really happens when Americans head overseas to foreign orphanages.
