## BOOK SYNOPSIS

In the early years of the conquest of the Americas, Inés Suárez, a seamstress condemned to a life of toil, flees Spain to seek adventure in the New World. As Inés makes her way to Chile, she begins a fiery romance with Pedro de Valdivia, war hero and field marshal to the famed Francisco Pizarro. Together the lovers will build the new city of Santiago, and they will wage war against the indigenous Chileans—a bloody struggle that will change Inés and Valdivia forever, inexorably pulling each of them toward separate destinies. *Inés del alma mía* is a work of breathtaking scope that masterfully dramatizes the known events of Inés Suárez's life, crafting them into a novel rich with the narrative brilliance and passion readers have come to expect from Isabel Allende.
