## **BOOK SYNOPSIS**

The Turbocharge Your GRE Series consists of 13 guides that cover everything you need to know for a great score on the GRE. Widely respected among GRE educators worldwide, Manhattan Reviews GRE prep books offer the most professional GRE instruction available anywhere. Now in its updated 3rd edition, the full series is carefully designed to provide GRE test-takers with exhaustive GRE preparation for optimal test scores. Manhattan Reviews GRE prep books teach you how to prepare for each of the different GRE testing areas with a thorough instructional methodology that is rigorous yet accessible and enjoyable. You'll learn everything necessary about each test section in order to receive your best possible GRE scores. The full series covers GRE verbal, quantitative, and writing concepts from the most basic through the most advanced levels, and is therefore a great study resource for all stages of GRE preparation. Students who work through all books in the series significantly improve their knowledge of GRE subject matter and learn the most strategic approaches to taking and vanquishing the GRE.
