BOOK SYNOPSIS

Masterpieces in Health Care Leadership: Cases and Analysis for Best Practices is a series of case studies that describes in detail the overview and framework for understanding the role and impact of healthcare leaders, vis-a-vis the concepts and tools already presented in the companion workbook by the same authors: Health Care Leadership: Practical Tools Workbook. Each case study will also feature in-depth leadership profiles (emotional intelligence, social motive, leadership style, and personality type) and practical analysis of the organizational structures and specific philosophies behind the specific topics. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition."
