## BOOK SYNOPSIS

This is how we fix what is broken, this is how we overwrite the bad memories. One honest smile at a time. Lisa thought this, for a moment at least. It was a hopeful thought...but it was wishful thinking. It takes more than smiles. It takes words, courage, and actions. This is where we finish the first arc, but we'll be back. Like doms, writers too must know when to be cruel, and when to show mercy!
