BOOK SYNOPSIS

Drawing on a wide range of primary sources, and tracing the astonishing development of the Viking age from the first foreign raids to the rise and fall of empires, this comprehensive reader is essential to an understanding of Viking history. Chroniclers record European horror in the face of the Viking onslaught. An Arab diplomat gives a gripping account of an encounter with Norsemen in Russia. Great warriors and kings of the period are heralded in Skaldic poetry. With unusual power, saga literature narrates the lives of Norse women and men at home and abroad. Brief introductions contextualize the translations and all unfamiliar terms are explained in the body of the text, making this an extremely readable and user-friendly introduction to the Viking age.

THE VIKING AGE A READER SECOND EDITION READINGS IN MEDIEVAL CIVILIZATIONS AND CULTURES - Are you looking for Ebook The Viking Age A Reader Second Edition Readings In Medieval Civilizations And Cultures ?
